Notes to the Schedule of Investments September 30, 2023 (Unaudited)

Investments in Restricted Securities - Restricted securities include securities that have not been registered under the Securities Act of 1933, as amended, and securities that are subject to restrictions on resale. The Fund may invest in restricted securities that are consistent with the Fund's investment objectives and investment strategies. Investments in restricted securities are valued at fair value as determined in good faith in accordance with procedures adopted by the Board of Trustees. It is possible that the estimated value may differ significantly from the amount that might ultimately be realized in the near term, and the difference could be material.

Additional information on each restricted security held by the Fund on September 30, 2023 is as follows:
